Renovated Retreat in Prime Position

This house is located in the most sort after street in our beautiful village, with your backyard backing onto the park. The house has been thoughtfully renovated with details that matter. The master is large in size with a walk in robe, and bed looks out through glass double doors to the tranquil outdoor greenery. The garden shed has running power and the carport is large enough to park two cars and possibly even a small boat. Floor to ceiling tiles in the bathroom, private shower area and two toilets makes this bathroom stand apart.
